THE DOC LOVED DICK

Working in the ER is exciting, challenging, and fast paced. It's also wildly unpredictable.

The reality of being an emergency room physician hardly meshes with the life I had envisioned while studying in med school.

Back then—which wasn't all that long ago; I'm only thirty-two—I had imagined myself with a successful private practice in a prosperous neighborhood, my patients highly educated and well-heeled, my schedule your typical Monday through Friday, nine to five, freeing my nights and weekends for a rich personal life.

Boy, was I wrong!

None of the aforementioned came to pass.

For one, I work at a university teaching hospital. My hours are unpredictable. Nights, weekends, holidays, you name it. Such a schedule leaves little time for a personal life. Hell, I work so much I haven't even had time to form my own family. I've never been married and rarely date. As for hobbies—well, I always liked tennis but haven't played the game in years.

Still, I earn a good salary. And I'd be lying if I told you that I didn't enjoy the job. Working in the ER is exciting, challenging, and fast paced. It's also wildly unpredictable.

Don't believe me?

Well, check this out . . .

I was on a much-needed break at the hospital. The lounge had comfortable furniture, a fully equipped kitchen, even a few on-call rooms, each outfitted with a bed and nightstand.

On-call rooms are perfect for cloistering oneself from the chaos of the ER. Most doctors use them for a quick power nap.

As for me?

Well, I preferred to use them for something else.

That night, I lay on the bed with my legs spread, pumping my pussy with a fat dildo. I kept the dildo in my purse for occasions like this. The stress of being an ER physician can be enormous. I had found masturbating to be a wonderful way to relieve that stress, the ultimate relaxant.

Also, what with the demanding nature of my job and all, I rarely had time for dating. My sex life left a lot to be desired. A whole hell of a lot. Thankfully, I had my dildo.

The toy had a wide suction base, allowing one to mount the thing to the floor. Having primed myself on the bed, I hopped down and did just that. Now the plastic phallus pointed at the ceiling, all but demanding that I climb aboard and have myself some fun.

My bare feet planted on the floor, my legs bent at

*I knew what that message would be. Me time was officially over.
It was time to be a doctor again.*

the knees, I lowered my slim hips, using my hand to push the shaft into my cunt. Properly impaled, I began to ride the toy in earnest.

It wasn't long before I was pogoing with a frenzied motion, slamming my ass against the floor on each downward plunge. I had every intention of continuing in this manner until I came.

And I would have.

Had I not been rudely interrupted by my phone.

The chime sounded from atop the nightstand, notifying me that I had an important message. I knew what that message would be. Me time was officially over. It was time to be a doctor again.

My skills were needed in the ER . . .

The smile on Traci's face caught me off guard. The young nurse almost never smiled. She was usually far too burdened to smile, far too taxed with a deadbeat ex-husband and an ever-increasing workload.

But tonight—well, tonight she looked like an actress in a toothpaste commercial.

"What do we have?" I asked her.

"You're not going to believe this one, Dr. Pettibone."

I followed her through the bustling ER to the last in a row of curtained beds. Searching my face, she placed her hand on the curtain. "Ready?"

"I was born ready," I told her.

The curtain swished open.

I stood there in silence, the patient's chart clutched in both hands. Had I bothered to read the chart beforehand I wouldn't have been so shocked. Then again, maybe it wouldn't have mattered. After all, that would have just been words on paper. This was anything but.

This was the biggest cock I had ever seen.

And it was fully erect!

"Priapism," I pronounced the word clearly.

"Is it serious?" the patient asked me.

"You'll be fine," I told him. "But the procedure will be painful, I'm afraid. There's just no way around it."

I explained the cause of his malady. One too many of those little blue pills. He hemmed and hawed before telling me that he was in the adult entertainment business, saying nothing further on the subject. But I was able to fill in the blanks. No doubt he had been under a lot of pressure to perform, a lot of pressure to stay hard, hence his taking of far too many pills.

Now he had a boner that wouldn't go away.

Not without medical attention . . .

Having prepared the syringe, I leaned over the patient and reached for his junk. He took one look at the needle and groaned.

"Relax," I told him. "Take a deep breath . . ."

*Steve and I met at a bar not far from the hospital. I had the night off.
Well, not totally off. I was on call.*

A week passed, a restless and frustrating week in which I masturbated several times a day, always while fantasizing about my priapism patient and his enormous cock.

The procedure had been a success. The patient—Steve, he had told me his name—had been released that night. I had told him to limit his intake of erectile dysfunction medication. He had promised to do this. He had also given me a business card. “Thanks for all your help, Doc,” he had told me. “I can’t thank you enough . . .”

I had looked at that card all week, holding it, reading it, wondering how Steve was getting along. These ruminative moments invariably ended with me whipping out my dildo and fucking myself in a horny frenzy. Fun times, for sure. Still, my pussy was long overdue for some real cock.

Preferably Steve’s . . .

Unable to stand it any longer, I finally summoned the courage and gave him a call. He told me that he was doing fine, fit as a fiddle, no complications whatsoever. Then he asked me if I’d like to meet him sometime soon for a drink.

“On me, of course,” he said. “It’s the least I can do . . .”

“Sounds nice, Steve. I’d love to . . .”

Women aren’t supposed to call men.

At least that’s what my mother taught me. But I didn’t give a damn. To hell with my mother and her old-fashioned concept.

Steve and I met at a bar not far from the hospital. I had the night off. Well, not totally off. I was on call. Still, I was hopeful that my smartphone would remain blessedly silent throughout the evening.

Luck was on my side.

In more ways than one . . .

My device was as quiet as a cat burglar. And, after paying our bar tab, Steve asked me if I’d care for a nightcap at his place. I said yes, of course, then hopped in my car and followed him to his apartment.

“So this,” I said boldly, “is where the magic happens . . .”

I was referring to the bedroom. Standing there on the threshold, I regarded his big queen-sized bed, imagining him poling some hot chick with that mammoth member of his.

“Yeah.” Steve nodded over my shoulder. “When I get lucky.”

“And how often is that?” I asked.

“Not as much as you would think. Sex is my job, you know. After fucking on camera all day—well, I’m usually too tired at night for anything more exciting than a movie . . .”

“Did you work today?”

His was the biggest I had ever had, easily. I lay there, savoring every powerful thrust as he fucked me like I had never been fucked before.

"Not a lick," he said.

I smiled. "That's the best news I've heard in a very long time . . ."

He put his arms around me and kissed my neck. A delicious jolt rocked my body. The hard bulge in his pants pressed against my hip. I wondered if he had taken my professional advice and cut back on those little blue pills. I certainly hoped so. Last thing I wanted to deal with tonight was another case of priapism.

But no, I told myself, he only used those when working long hours. And he wasn't on the clock tonight. This was strictly playtime . . .

I moved into the room. Sitting on his bed, I leaned back on my elbows and let Steve take the lead. My fashionable heels clattered atop the hardwood floor as he moved between my legs. In a matter of seconds my designer cocktail dress had been pushed above my waist, my lace panties peeled from my legs and tossed aside.

"Oh yeah," I uttered breathily. "Fuck me . . ."

My pulse pounding with excitement, I raised my knees in anticipation of his massive tool. Steve went down on me, pressing his lips to my wet pussy. I writhed and moaned as he serviced me with his mouth and tongue. He knew how to eat a girl out, you bet. He lapped and licked and sucked, taking good care of my clit in the process.

I was on the verge of coming when he raised to his full height, dropped his pants, and pushed his cock inside me. His was the biggest I had ever had, easily. I lay there, savoring every powerful thrust as he fucked me like I had never been fucked before.

Moments later he pulled out and joined me on the bed. I turned my back to him, rolling onto my left side as his body melded to mine. He raised my right leg and guided his member into my cunt. Then, gripping my right flank with his hand, he pumped my pussy with a series of stiff jabs, reaming me none too gently.

Our coupling proceeded in this manner until I had one of the most powerful orgasms of my life. Steve pulled out and lay there beside me, staring at the ceiling as I went down on him. I finished him with a sloppy blowjob. He grunted upon release. I swallowed his load, gluttonously ingesting every last drop of cum.

I never saw Steve again, in person or on my computer (porn has never been my thing). His remains my one and only case of priapism. Still, this could change in the blink of an eye. It's only a matter of time before another poor guy shows up in the ER with a perpetually hard cock.

With any luck, he'll be handsome like Steve, handsome and hung and more than willing to meet me for some follow up care!

BRIANA BLAIR

Do you ever wake up with an epiphany that something is gonna happen? Some new step or big event? Today I just knew I had to call the handsome pool guy. I needed him to service me more than my pool. Once he arrived, I told him to drop his tools and pulled him onto the sofa and we started grinding.

ONE TONGUE IS AS GOOD AS THE OTHER

MOUTHS AND PUSSIES AND COCKS, OH MY!

MERRIMENT AT THE MATINEE

“Enjoy your movie . . .”

Joanne’s voice dripped with sarcasm, perhaps even a touch of venom. I frowned at the back of her head as the usher tore her ticket in half. Partly because my girlfriend was miffed, but also due to the overpriced refreshments—popcorn and soda for Joanne, hotdog and hot cocoa for myself—which, in conjunction with the tickets, had cleaned out my wallet.

As she hastened into the darkened theater I thought about following her inside, then changed my mind.

Let her go, I thought. The prospect of sitting through a two-hour musical, even with my beautiful girlfriend, was not my idea of fun. Joanne had picked up on this while we were driving to the cineplex. “You don’t want to see the musical,

do you?” she had asked me. “It’s fine,” I had replied. “I can see that spy flick some other time . . .”

Her refusal to drop the subject had led to an argument in the parking lot. I had offered to take her home, but Joanne was determined to see her much-anticipated musical, with or without me.

“To hell with her,” I muttered, turning on my heels and walking to the other end of the carpeted corridor. A blonde usherette took my ticket, ripped it in half, and handed me the stub. “Enjoy the movie,” she said, flashing a brilliant smile.

The previews had already started. Most of the seats were empty; this baffled me as the film had received mostly positive reviews. Still, I didn’t dwell on the poor attendance. Hell, most people wouldn’t know a good movie if it bit them in the ass.

In this respect, Joanne was most people.

Having inhaled my hotdog and cocoa, I forgot all about my girlfriend and lost myself in the movie. It was a good one, for sure, an entertaining mix of understated subterfuge and explosive action. The main character was a suave secret agent, his female counterpart a drop-dead gorgeous redhead. In the end they come together to foil the diabolical villain and, of course, hop into bed.

Money well spent, I reasoned. The end credits rolled. I remained in my seat as the other moviegoers, all five of them, filed out of the theater. I was in no rush. Joanne’s musical was a long one, a two-and-a-half-hour marathon. With some twenty minutes to kill, I had every intention of staying put in my seat and taking a catnap.

I had just closed my eyes when a vaguely familiar voice said, “I hope the movie didn’t put you to sleep.”

It was the blonde usherette with the brilliant smile. She occupied

the seat beside mine.

“Not at all,” I replied. “It was good. I liked it . . .”

“Sitting here like this—well, I hope I’m not invading your space or anything. It’s just that . . . I saw what happened between you and your girlfriend . . . and . . .”

“And what?”

“I may be out of line by saying this, but you deserve better.”

I remained silent, waiting for her to elaborate.

“So you want to watch a different movie, big deal. If she can’t handle it—well, that’s her fucking problem . . .”

“My thoughts exactly,” I said.

Imagine my surprise when the usherette started rubbing on my crotch!

“I’m on break,” she said, “and your girlfriend’s movie won’t be over for another fifteen minutes. What do you say?”

“Sounds like a plan . . .”

Next thing I knew she had un-

zipped me and was stroking my cock, pumping me good and proper with her left hand. Tearing all those tickets had strengthened her wrist, which surely accounted for her impressive skill. Despite dating Joanne for four months, I could count the tugjobs she had given me on one lousy hand.

And speaking of hand . . . the usherette moved hers up and down my stiff pecker, shucking and jerking until I was oh so close to popping off. Having stopped just in time, she allowed me a brief respite before going down on me.

I sat there, my head reclined, and grinned at the dim lights as she wowed me with her stellar oral skills. The usherette gave fantastic head. Sloppy. Just the way I liked it.

She surfaced for air, spat on me, then resumed, repeating this procedure several times as I neared the point of no return.

Finally, my balls brimming with batter, I detonated inside her mouth. Unfazed, she kept right on

milking me. The usherette was a devout swallower, you bet, and I gave her plenty to ingest.

Driving home from the cineplex was a mostly tense and silent affair, until Joanne broke the ice.

“You know,” she said, “it’s a real shame that you’ve never learned to appreciate a good musical . . .”

“If you say so,” I remarked.

“The cinema has so much more to offer than blood and boobs and explosions . . .”

Explosions, I mused with a wry smile. Joanne didn’t know the half of it!

boys are always looking at my ass. I've been posting online with guys a lot recently. I'm constantly horny so my online chats are almost always about sex. There was one guy in particular, Elliot, a cute grad student that has my interest piqued. Whenever I was online there he was.

He was sweet yet aggressive. I broke down and told him where I lived and wouldn't mind meeting him. I even told him I'd answer the door wearing nothing but a towel. This was all a bit risky as we've never met before but I really didn't care. I was really horny because it'd been almost a year since I was fucked last.

So it's Friday night and I'm expecting the door bell to ring any minute. I put on my favorite sexy black thong and high heels and wrapped a big towel around my body just in time. I opened the door but I was stunned at what was in front of me. Elliot is a PhD candidate at the university. A kind of wunderkind who graduated high school early.

I had to think quick on my feet.

I closed the door as he took a couple steps into the living room and I dropped my towel. Standing there naked apart from my high heels and sexy black thong. Elliot stepped back to stare, his eyes were wide open.

He stepped towards me and started kissing me all over and squeezing my breasts. His kisses moved down to my large breasts, taking turns to suck each of my now erect nipples as I felt both of his hands now fondling my ass cheeks. At this point I stopped fighting it, I was becoming moist and was so aroused.

I felt both his hands pull my butt cheeks apart and something warm entered my ass hole. It was his tongue and it felt circling my ass hole as two of his fingers entered my wet pussy from behind. I felt the sensation building. I screamed during an absolutely amazing orgasm. I glanced behind me and could see his face still buried there.

Elliot stood up next to me, both of us completely naked. I glanced down. His cock was surprisingly large. I got

down on my knees for a closer look. I squeezed my huge breasts around his cock and he started thrusting back and forth. I lowered my breasts and rubbed his cock against my lips, then took all eight inches down my throat. Suddenly, he jolted and fed me waves of warm love juice into my throat.

I now wanted his cock inside me, so I mounted him slowly as his still erect cock slid inside me. Slowly I began to rise and fall tightly against his cock each time. I felt him swelling again and pulled him out to take his explosion on my boobs.

Elliot put his clothes back on. He extended a hand and I took it. He gave me a big hug and kiss as I reached down his pant. I pulled it out and started sucking. He decided to stay a little longer.

Johnny said he'd take me around the world. At first I hesitated, but he was persistent and truth be told, I was feeling a little bit horny. So I told him I only have time for a quickie and he agreed to a fuck with no time wasted for the fancy stuff. I used my mouth to get him hard and then hopped right on it.
